In accordance with provision 4.h. of our Memorandum of Understanding, listed below are DOE's requirements for USAKA's support of its Spring 1997 Environmental and Radiological Characterization Mission (No. 98-2) to Bikini. This letter also details the elements of the Operations Plan for the mission, which is being sent to you under separate cover.

The mission will carry out field activities at Bikini Atoll, and will commence at Kwajalein on October 27, 1997, and end there on November 19, 1997.

Indicated below are the known requirements for support of the environmental mission:

**1. Billeting**

Two (2) DOE personnel for two (2) days each while in transient in the DV or similar trailers.  
Two (2) BN personnel for two (2) days each while in transient in a TDY trailer.  
One (1) LLNL personnel for two (2) days while in transient in a DV or similar trailer.  
Three (3) LLNL personnel for four (4) days while in transient in a TDY trailer.  
Two (2) Mission Consultants for two (2) days while in transient in a TDY trailer.  
Two (2) Locally-recruited RMI field workers for Two (2) days while in transient in the PBQ.  
Ten (10) Billets within quarters aboard LCU 2021 for total of 2 overnights each.

**2. Food Services**

Ten (10) passengers x 3 meals a day for 3 days aboard the LCU 2021.

**3. Personnel**

None is required to support the mission.

**4. Transportation**

Daily charter of the LCU-2021 for approximately seven days IAW USAKA Rates Manual.

5. Equipment

Sky-Trac, rough terrain, extend-a-lift, from 10/29-11/19, 1997.

6. Other

- a. Loading/Off-loading of two (2) freezer vans on/off LCU 2021.
- b. Other stevedoring services to load/off-load DOE equipment & tri-walls.

The letter is also to request you to provide DOE with a cost estimate for the support described above. May we have your estimate by October 15, 1997?

If you have any other questions in regards to the mission, please contact me or our local DOE Coordinator, Mr. Stephan Notarianni at tel. 5-1899.

Sincerely Your,

William D. Jackson
